ASSEMBLY INSTRUCTIONS

IMPORTANT - READ CAREFULLY - RETAIN THESE INSTRUCTIONS FOR FUTURE REFERENCE.

INFORMATION

- Due to the size of this product we recommend that it is assembled in the room intended for use.
- When you are ready to start, make sure that you have the right tools, plenty of space and a clean, dry area for assembly.
- Unwrap all packaging materials and place the components on top of the carton box or on a clean floor to prevent it from scratching.
- Check the pack and make sure you have all the parts listed.
- Ensure that this product is fully assembled as illustrated before use.
- Check all screws or bolts are tightened and inspect regularly
- This product should only be used on firm, level ground.
- Keep small parts out of reach of children.
- Make sure the legs remain in contact with the ground.
- Tools are not included.

WARNINGS

- DO NOT use power tools to construct this product.
- DO NOT tighten screws until fully assembled.
- DO NOT over tighten screws or bolts.
- DO NOT use this product if parts are missing, damaged or worn.
- DO NOT sit or stand on the product.
- DO NOT place very hot or very cold items on the glass surface(s) unless adequately thick tablemats are used to prevent such items from coming into contact with the glass
- DO NOT use strike the glass with hard or pointed items, or use the glass as a chopping surface
- If a glass component is chipped or broken, stop using the product and consult the manufacturer or supplier
- We recommend the use of the wall strap provided for safety reasons. N.B. Wall fixings are not included – please source suitable fixings for your wall type. If in doubt please consult a qualified tradesperson. **Warning:** Always ensure the area to be drilled is free from hidden electrical wires, water and gas pipes.

CARE INFORMATION

- Never use scourers, abrasives or chemical cleaners.
- To clean wipe with a sponge and warm soapy water. Do not use solvent based cleaners or detergents as they can bleach or damage the product.
- When cleaning glass panels or mirrors use a damp cloth with washing up liquid or soft soap if necessary; do not use washing powders or any other substances containing abrasives since these substances scratch glass.
- Do not use washing powders or any other substances containing abrasives, as these may scratch the glass
