Read Before Beginning Assembly

- Call our toll free number if you need assistance.
- Work in a spacious area and near where the unit will be used, preferably on a carpet, or use a piece of the cardboard packaging to protect your floor and product.
- Recommended # of people needed for assembly: (however it is always better to have an extra hand). Estimated assembly time is **1.5**.
- Make sure all parts are included. Most parts are labeled or stamped on the raw edge.
- Read each step carefully. It is very important that each step of instruction is performed in the correct order. If these steps are not followed in sequence, assembly difficulties will occur.
