Read Before Beginning Assembly

- Call our toll free number if you need assistance.
- Work in a spacious area and near where the unit will be used, preferably on a carpet, or use a piece of the cardboard packaging to protect your floor and product.
- Recommended # of people needed for assembly: **2** (however it is always better to have an extra hand). Estimated assembly time is **1 h 30 min**.
- Make sure all parts are included. Most parts are labeled or stamped on the raw edge.
- Read each step carefully. It is very important that each step of instruction is performed in the correct order. If these steps are not followed in sequence, assembly difficulties will occur.

Caution

- This product is designed for home use and not intended for commercial use.
- This product contains small components. Please ensure that they are kept away from small children.
- Do not use power tools to assemble your furniture. Power tools may strip or damage the parts.
